

A person with long hair, wearing a blue and white checkered shirt and light-colored pants, is sitting on a couch. They have their hands pressed against their head, suggesting a state of stress or anxiety. The background is a simple, neutral-toned room with a couch and pillows.

DEALING WITH  
**ANXIETY**

## DEALING WITH ANXIETY

---

In our Modern Church Society  
ANXIETY is a fear many (most) in the  
Lord's church do not want to talk about.

# Disclaimers

- There are Christians (including non-believers) who suffer with anxiety.
- The Bible was not intended to deal with “anxiety disorder”, “clinical depression”, etc. It is the story of sin & salvation, and living in God’s image.

# Things We Worry (Have Anxiety) About\*

- Day-to-day: food, medical, housing, etc.  
Matt. 6:25-32
- Relationships: spouse, family, friends, etc.  
1 Cor. 7:32-35
- Reputation: how we're perceived.
- Events. Cp. Matt. 10:19
- Spiritual: our walk with God, assurance of salvation, etc.

With clinical anxiety: unknown causes can be triggers.

Reminders: We're ALL "broken"  
people living in a broken world...

Anxiety is a natural reaction to the  
trials of life in this broken world.

# What benefit is there to anxiety/worry?

- Certain animals (let alone people in the image of God) don't have houses, don't work, or storages... yet God feeds them.  
Lk. 12:22-24
- Worrying does **NOTHING** to help your situation.

So, What's the Answer?

# Trust in God & Prayer

- The answer is “easy” if:
  - We do not rely on our own strength.
  - We trust in the grace of God to provide and pray WITH THANKSGIVING. Phil. 4:6-7
- In reality, the answer is NOT EASY... because we have difficulty letting go of control.
